The XPOWER B-24 Heated Force Dryer gives you the power of heat to dry those pets even faster! The variable speed control along with dual heat settings gives you complete control over the amount of air and temperature you need to dry any dog, small or large with short or long hair. Like all other XPOWER dryers, the B-24 is extremely lightweight and up to 40% quieter than other dryers in the market. Its rugged ABS housing makes it super durable and the filter system keeps debris out of the motor for maximum efficiency. The B-24 is compatible with our wall or stand mount kits letting you put your machine wherever it is most convenient and secure.
