NEW – Hot Link Hot Water Generator

Attach to your existing cold water pressure washer and you have the power of Hot Water to quickly melt away grease and grime.

Features:

- Use with your cold water pressure washer
- 100 - 4350 psi
- 1-5 gpm
- Includes 48" jumper hose
- 4 gallon diesel fuel tank
- Adjustable temp up to 200°F
- Stainless steel insulated coil enclosure
- Redundant safety features include flow switch, pressure relief valve, and burst disc
- Compact: 29" x 22" x 22"
- 2 Models Available:
 - 12v DC for remote use, hook to the battery on your pressure washer (requires 14 amp charging system)
 - 115v includes 37' GFCI cord, plugs into any standard 15 amp outlet

Benefits:

The Hot Link System allows you the flexibility of using hot water on those stubborn jobs such as grease, gum, or graffiti that require the impact of hot water to get the job done right. It will save you money by getting the job done faster, and you do not have to buy a new pressure washer if you already have a cold water system. Its compact size allows for easy storage when not in use and takes up less room on your truck or trailer.

Model# CPHL5DC – 12v DC powered, diesel fired

Model# CPHL5E1 – 115v powered, diesel fired

Introductory List Price for either model: \$2,195
