Manufacturer: Husqvarna Equipment

Demo Husqvarna 970615002 Floor Scraper BS 75 120 Volts 282 Lbs 2 Hp ENO25% off

PRODUCT DESCRIPTION

BS 75 is a powerful self-propelled machine, ideal for indoor and outdoor medium-sized renovation jobs. This floor scraper is constructed of rugged metal for longevity and durability on the site. This machine has a forward and backward function and is equipped as standard with speed control. With mainly electronic components, this floor stripper requires almost no maintenance. In addition, this floor scraper can be disassembled into 3 pieces for easy transportation up flights of stairs and into vehicles. It is also possible to add an additional 10 kg weight to mount on the weight block in order to make BS 75 more efficient on resilient floors. Depending on the type of flooring material you would like to remove, you can choose from a wide range of blades or chisels. This floor scraper is able to remove most (old) floor coverings such as linoleum, vinyl, carpet, adhesives, glue, etc.

Ships in blue or orange. Customer does not get to pick.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Condition of this machine: "A" Only 1 at this price!

Our A rated demo equipment usually has less than 100 hours on it.
