Husqvarna 967648605 Floor Concrete Grinder 3Hp 240V 13Amp 2Power Cord Bundle [PG450] 19In GTIN 805544276139

PG 450 is a versatile and user-friendly planetary floor and concrete grinder. Perfect for a wide range of applications, e.g. coating removal, concrete grinding and concrete polishing. It is also suitable to use to make Husqvarna HiPERFLOOR®.

With its 18 in. grinding width it is excellent for both small hard to get to areas, as well as larger surfaces.

It is ideal for rental and both professional and semi-professional applications due to its many self-adjusting benefits.

1-phase means it is suitable for industrial and domestic applications.

It can easily be folded and divided without tools for transport and storage.

Factory Installed NEMA L6-20 Plug + Dual power cord supply for plug in everywhere portability!

The PG 450 come in two versions.

A light duty 120 volt 2 HP 19 amp / 2280 Watt version and the heavy duty 3 hp 240 volt 13 amp / 3120 Watt version.

This webpage is for the heavy duty 3 hp 240 volt version PLUS the dual power supply converter so you can still plug into standard wall outlets.

Way easier to plug in two power cords at 13 amps each than a single power cord at 19 amps, and faster (more RPM's) with the larger heavier electric motor too!

Please note that every building has 15 amp breakers, and not every build has 20 amp breakers.

Universal 2" vacuum hose connection.

Factory power cord is 1 foot long.

Factory supplied 1 year, 1000 hour warranty. Optionally purchase 3 to 5 years for a little more.

SteamBrite Exclusive / Only included with the PG 450 when purchased from this web page.

Plugs in everywhere!

Husqvarna PG280 and PG450 Power Supply L6-20R Bundle No Generator

Required 71108102
