ENO50Off GTIN 805544496551

Manufacturer: Husqvarna Equipment

Used Husqvarna 967765801A T 15000 Dust and Slurry Hepa Vacuum Extractor 3
Phase 240V A Rated GTIN 805544496551

T 15000 is an effective industrial dust extractor to match the highly productive Dual Drive Technology® grinding machines Husqvarna PG 820 RC, PG 820, PG 680 RC, PG 680 as well as shavers, shot blasters and saws. Also perfect together with our pre separator C 5500 that easily can be mounted on the dust extractor. T 10000 is ideal for heavy-duty work and exacting demands on dust extraction. Powerful motor with ample capacity. The machine can deal with materials that are difficult to handle, such as grinding dust and demolition materials in a wide variety of applications. Has a reliable filter system with high collecting efficiency and a long filter life, and can deal with large quantities of fine dust. Equipped with three tested and certified HEPA class H13 filters ensuring clean air exhaust. The primary sock-style pre-filters provide long, uninterrupted service and can be cleaned efficiently from outside the tank via Jet Pulse air pressure. The Longopac® bag hose system ensures simple, dust-free bag changes

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Condition of this machine: "A" Only 1 at this price!

Our A rated demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory direct as they have already been refurbished, cleaned, tested, and crated.

Ships from KCOT warehouse.
