Product Description

WS 220 is a lightweight electric wall sawing system with a new generation high frequency PRIME[®] technology. WS 220 has a high power-to-weight ratio and is unbeatable in terms of efficiency for smaller or mid-size jobs with cutting depth up to 16 in. It can be operated with both 3-phase and 1-phase power source and is easy to use and transport with the included trolley.

No Power Prime 220 included
No Blade Included.

Payment by wire transfer only.
Factory supplied 1 year parts warranty.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, used to make a factory video... Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so your letting some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Condition of this machine: "A" Only 1 at this price!

Our demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory rep direct to the customer and have already been cleaned and packaged.
