Manufacturer: Husqvarna Equipment

Used Husqvarna 966565701A CS 10 Wire Saw Accessory Accumulator A Rated ENO25OFF GTIN 805544728089

## Product Description

CS 10 is a very useful and efficient saw system, thanks to a number of smart solutions. The saw is designed to be combined with our electric wall saws WS 482 HF or WS 440 HF (not included,) giving you a flexible wall and wire saw in one single system. Use it for both small and large jobs sawing in steel, concrete and other building materials. The symmetrical design lets you use the machine in all positions and even reaches into the tightest spots. As you cut through a wall or column, this stores the access cutting wire.

## Owners Manual

## Parts list

Note Power Prime power supply, remote control, and wire blades are not included.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Condition of this machine: "A" Only 1 at this price!

Our A rated demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory direct as they have already been refurbished, cleaned, tested, and crated.

Ships from OT warehouse.

Payment by wire transfer only.
