PumpTec 80836-230v AS1200 Water Otter 1200 psi pump 230 volts International GTIN 10679065070876

Manufacturer: Pumptec

Turn any portable extractor into an incredible tile and grout machine with the Water Otter! By hooking your pressure hose to the Water Otter instead of your portable extractor, you'll get 1200 psi of raw power to blast grout lines clean! Now you just need to hook your vac hose to your portable extractor, and put on a good tile and grout tool (SX-12 or Gekko come to mind) and you're ready to clean tile with the best!
