

Model Number: SBM68025

Truckmount Live Reel System Triple reel no hoses SBM68025

Manufacturer: Shazaam

Truckmounted Carpet Cleaner Triple live reel system (no hoses)

Live vacuum reel (recommended fill: Three 50 ft section of 2" Id Vacuum Hose, and one 10 ft section of 1-1/2" ID leader vacuum hose = 160 ft)

Live solution reel up to 160 ft of 1/4" ID 3000 psi solution hose

Storage Garden hose side reel holds 100 ft

Hoses, assembly, and installation are not included at this price. Please email us for a quote for these options.

Additional hose lengths are recommended to be hung on the side wall of the service van.

Solution reel mounts to the floor and fits perfectly in front of the vacuum reel rails

Ships in three boxes

Assembly required.

Recommended accessories: 15 ft of solution hose to mate the truckmount to the hub of the reel and 15 ft of 2" vacuum hose to mate the truckmount waste tank to the hub of the vacuum hose reel

Read more in the forums section of web site on live reels clicking here.

Please note: floor mount solution reel can also be used to hold 100 ft of 3/8" ID hose or 160 ft of 1/4" hose.

It is recommended that the solution hose be a continuous section.

.Photo below is an example of a triple reel system. This customer below set up his van a little different than most. The floor mount solution reel is being used as a 100 ft live garden hose reel to feed the on board 100 gallon fresh tank. This is positioned just behind the truckmount
