

Model Number: CP16GL-4

Dupont CP16GL-4, Teflon Advanced Fabric Protector, 4/1 Gallon Case

Manufacturer: HydroForce

DuPont®; Teflon®; Advanced Concentrated Fluorochemical Protector

DuPont Teflon is a brand name your customers trust and Teflon Advanced is one of the finest carpet protectors on the market.

Teflon Advanced and are fluorocarbon water-based products specially designed to protect carpets from wet and dry soils. They are both CFC and solvent free. There is no quality protector on the market with more repellency than Teflon Advanced and your customers will be highly impressed when spills bead up on the carpet surface allowing them to be removed before wicking and staining occur.

Teflon Advanced also has improved protection against oil and water based spills and outstanding dry soil resistance so carpets look great year after year.

Teflon Advanced is great as part of a two protector sales system.
