Mytee A949 Carpet Cleaning Muffler Silencer For Speedster and LTD Series Extractors Pair of 2

Manufacturer: Mytee Products Inc

Mytee A949

Cuff-Lynx® Muffler Assembly. Fits on all Speedster® LTD and Speedster® models Carpet cleaning machines.

Great for reducing noise.

On video below the Mytee LTD5 at 10 ft went from 92.9 dB to 89.4 dB.

A 3.5 decibel (dB) reduction.

"A change in power by a factor of 10 is a 10 dB change in level. A change in power by a factor of two is approximately a 3 dB change" -Wikipedia.org

In other words a reduction in 3 dB is half as damaging to the human ear.

Set of 2.
