filters

AIR SCRUBBERS that accept 24 X 24 X 2 inch

Nikro Portable Air Scrubbers has been specifically designed for remediation, restoration and abatement contractors. These units allow you to clean and control the air in a work area without contaminating other area with dirty exhaust air. The uniquely designed filtration system with a 99.97% @ 0.3 micron HEPA filter make these units ideal for capturing smoke, fumes, mold spores, dust and other particulate, returning clean air back to the environment.

## Optional Accessories

861262 - Make good use of the HEPA filtered air that is being exhausted from your air scrubber by using this adapter with 5" hose connecting ports. The 4" hoses can then be placed in tight hard to reach areas such as cabinets, closets, etc., to speed up the drying process. Will fit most Air Scrubbers with a 12" hose exhaust flange. Comes with 100' of 4" hose.

861228 - 12" x 500' Lay Flat Exhaust Hose

860243 - 12" x 25' Mylar Intake and Exhaust Hose

860249 - 12" Quick Connect Hose Clamp

860139 - 12" Hose Connector (Connects 2 lengths of hose together)
