

Model Number: SS EBG-HDVK

Square Scrub SS EBG-HDVK HEPA Dry Vac Kit for EBG-18 EBG-20/C & EBG-28

Manufacturer: Square Scrub

Square Scrub SS EBG-HDVK HEPA Dry Vac Kit for EBG-18 EBG-20/C & EBG-28

Description

The Square Scrub® HEPA Dry Vac Kit mounts directly to the large Square Scrub® floor machine with a universal mounting bracket and includes 1 face plate mount, 1 adapter, and 1 hose adapter. This kit has a 6 quart capacity and pulls under 4.5 amps - allowing the user to plug into the power source at the Square Scrub® motor using the adapter, eliminating the need for extension cords. In conjunction with the Dust Containment Kit, the Dry Vac Kit significantly reduces airborne particles. This kit is NOT designed to remove debris from the floor. This vacuum converts into a Backpack Vac. CRI Gold Certified and Made in the USA.

One size fits all EBG-18, EBG-20/C, & EBG-28 machines. *Machine sold separately*
