Steam Brite 20in Rotary Yarn Bonnet Low Profile with agitation stripes Tiger Carpet Cleaning Bonnet Pad each

Manufacturer: Steambrite MFG

Low-profile bonnet provides improved operator control on rotary floor machines from 175-300 RPM. Effectively pulls dirt and soil out of carpets.

These are actually 20" accross but can be used in 19" situations because on a 19" driver, it just hangs over the edge by 1/2" all the way around the driver.
