

Model Number: 76-070

Chemspec Sapphire Scientific 76-070 General Purpose Spotter (12x1 Quart Case)

Manufacturer: Chemspec

Chemspec General Purpose Spotter

Sapphire Scientific General Purpose Spotter removes a variety of water soluble soils as well as water insoluble particulate matter. It suspends water insoluble soils such as fine sand and dust without generating the foam that so often interferes with rinse extraction. General Purpose Spotter also contains an embrittling polymer that allows efficient vacuuming of the residue.

General Purpose Spotter is sold as a ready to use solution and is not to be diluted before use. It is recommended for use on fabrics that are water cleanable.

Sold as	Case of twelve 1 qt. (0.9 L) bottles
Re-order no.	76-070
Appearance	Colorless, transparent, non-viscous liquid
Odor	None
pH	8.0 to 9.6
Phosphate	Contains phosphate
VOC content	Trace
