Questions:

A. How come I have to supply my Social Security Number?

Answer: This is to affect your credit when you do not bring the equipment back. This is no different than when you go to the doctor's office and they ask for your social security number. They only reason they need it is if you do not pay your bill promptly. The only reason the doctor's office needs your SS number is to affect your credit. This is a requirement. The only way to avoid providing this information is provide a large enough cash deposit that will purchase the equipment.

B. Are you open on Sunday?

"No." If you rent on Saturday we do let you keep the equipment an extra day for free, if you do not use the equipment, but you will be required to bring the equipment back on Monday morning. If you use the equipment on Sunday you will have to pay for the rental for Sunday.

C. Can I reserve a machine for a specific day?

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

"Yes." Only if you prepay for it. We will have to take the required information over the phone and charge you in advance for the rental.

D. What if I prepay for a rental and cannot show up to pick up the machine?  
All sales are final. No credit is placed back on your credit card, but we can carry over the funds to use on a different day (like purchasing an air line ticket.)

F. Does the machine come with instructions on How to dry building or do odor control work ...?

"No." Please ask your service rep at SteamBrite for help with any specialty issues.

G. Can I pick up a machine on Friday and bring it back on Monday?  
Yes, but you will be charged for the number of days you use the equipment(s).
