Manufacturer: HydroForce

Nautilus 1200 PSI Dual 3- Stage No heater 1664-2922

(Machine, Hoses and AC10 lint filter with Free Commercial Shipping Included & home delivery extra)

After a long and thorough process of research and development that entailed trips across the United States, focus groups and rigorous in-field testing.

Series for maximum lift, or parallel for maximum air flow, with the AirFlow+ vacuum system, it's your call!

The AirFlow+ vacuum system allows you to quickly change your vacuum motors from a series configuration to a parallel configuration in under a minute with no mechanical skill needed.

Whether you're extracting flood water and need maximum lift, or cleaning tile and need maximum air flow, the Nautilus has you covered.

Faster drying times. The Nautilus uses a parallel vacuum motor system which delivers a 25% greater solution recovery rate than series vacuum motor systems. You can change to series vacuum yourself

Maintenance is easier than ever providing an open access to all components delivering the ability to easily maintain, clean and care for your Nautilus after jobs.

All controls and connections are located on the upper center panel for easy access

and operation.

Integrated handle and rear castes assist with loading and unloading.

The onboard carrying system provides storage for your wand, double cord wrap stow, 5 gallon bucket, hose and quart of pre-spray.

Utilizing a rotomolded housing the Nautilus is tough enough for all your travels and jobs.

After a long and thorough process of research and development that entailed trips across the United States, focus groups and rigorous in-field testing; HydroFoce proudly introduces the Nautilus series!

Maintenance is easier than ever providing an open access to all components delivering the ability to easily maintain, clean and care for your Ninja Warrior after jobs.
