

Model Number: 20130109

Electrical Converter 230 volt C13/C14 to NEMA 5-15 Male Adapter 20130109

Manufacturer: Clean Storm

Clean Storm 230 volt C13/C14 to NEMA 5-15 Male Adapter

Convert C13/C14 international plug to NEMA 15 amp male plug

Allow use on Sandia and Clean Storm 230 volt extractors to use 12-3 power cords.

Male power cord end will have to be cut off and replaced with the correct plug used for your international county.

Make sure the equipment will operate at the supplied voltage to avoid damage.

Temporary power distribution box

Construction spider box

Note: User assumes all responsibility on use. It is the users responsibility to check the inbound voltage, outbound voltage, and total amp draw to verify these are not going to be overloaded. The user agrees to test the amp draw of any appliance or machine that they plug into these converters to ensure they are not being overloaded.

Meters are cheap and mistakes are expensive. You can purchase a meter at
