

Model Number: 03-4150

Clean Storm 03-4150, Indy Automotive Extractor, 3gal 150psi Heated 2 Stage Vac, with Hose Set and Detail Wand Spotter

Manufacturer: Clean Storm

Clean Storm 03-4150 Indy Automotive Extractor 3gal 150psi Heated 2 Stage Vac with Hose Set and Detail Wand

Color not guaranteed! This machine is shipped in the default Steam Brite Blue Color scheme.

Description

Cleans 100% faster than the competition with the Internal Spray Bi-Directional Cleaning Wand! 300% more aggressive pump over the traditional 55psi pump that is normally installed. Ideal for any detailing job and great for rental units. The heated unit works off only one power cord, making it easier for use in locations with limited power source options. Fastest soil pick-up with high CFM airflow. A durable psi pump delivers heated extracting solution into the carpet. The powerful vacuum motors recover the spent solutions and soils. Includes black carrying-handle that slides out for easy machine transport. Double ball-bearing urethane wheels for easy transport. Heats extracting solution to 200 degrees Fahrenheit with a 1000 watt in-line heater!
