

Model Number: 862044

Nikro 862044, 15ft Rotary Brush Cable System, with Button Lock, with No Brushes

Manufacturer: Nikro

15FT Rotary Brush Cable System w/Button Lock with NO Brushes
Sold as a replacement cable only

New snap on design - No need for tools

Can be run in forward or reverse without the possibility of spinning off a brush

Button locking stainless steel design for durability and lasting performance

These easy to use residential brush systems are extremely flexible, allowing the brush head to navigate corners, drops and risers.

Optional brushed (not included with this part number) 4", 8", 12" and 18" Nylon brushes and 8", 12" and 18" Silica brushes. Powered by your drill with clutch or one of our clutch driven drills or drive unit.

Please only use unit with no more than 360 degrees of turns.

Do not turn cable with the hose coiled up.

Must use a clutched drill or drive box.

If you use a standard drill and break the cable it will not be warrantied.

The only way you can break the cable is to use this with a non clutched drill and or leave coiled up.

Can be used with any Nikro branded button Brushes.

Optional

Clean Storm HEPA Concrete Grinder Dust Slurry Extractor Collector Triple
Vacuum Motors 5 Stage Filter System Wet/Dry Shop Vac 335CFM 20230111
