Manufacturer: Hydrotek

Hydrotek AW201 White Tank Kit 200 gallon 48" X 29" X 34"H Assembly with filter and fittings (no labor)

Hydrotek collects sales tax in TX and CA

The 200 gallon tank is self supporting, while others require cages or strapping to keep shape when full. Tanks are available in black or white. You won't need to create a tie down strap, we've done it already. The Hydro Tek steel hold down straps are fabricated to fit these tanks securely. Simply bolt straps down to your flat trailer. Two straps required per tank.

HOLD DOWN STRAPS

Part# HCS20, for 200g tank, stainless

Part# HTS03, for 270g tank, powder coated steel
