Manufacturer: Hydrotek

Hydrotek SK40005VH Skid Hot Gas Pressure washer 4000 psi 4.8 gpm Belt Drive Pump, 570cc Gas Engine

#### Features:

The SK Series is a truly versatile machine. It can be trailer or truck mounted to work for you, right where you need it. An efficient industrial duty electric-start Vanguard or Honda engine provides power to the pump and 12V diesel burner so no electrical supply is needed. The large, high capacity, "SCH 80 coil is stainless steel wrapped and heats the water up to 250°F. You will experience extended run times with the large 8 gallon gas and diesel tanks\*. Industrial rated, direct or belt-drive triplex plunger pumps for superior performance and longevity. The unloader is remote mounted allowing for easy maintenance and has an external bypass loop to keep the pump running cool. Burst disc and pressure relief valve for operator safety. A full cage frame with lifting eye protects your machine from damage.

Requires Group 4 550 CCA battery, not included.
