Hose Cuff AH49 2in Female Threaded X 2in Female Threaded Vacuum Hose Cuff 1643-0086

Manufacturer: Clean Storm

AH49 2" Threaded X 2" Threaded Vacuum Hose Cuff

Screws on over the top of 2" ID vacuum hose on both sides.

Please note that the inside diameter of this cuff is more than 2.5" because it screw over the outside of 2" inside diameter carpet cleaning vacuum hose. The wall thickness on vacuum hose is over 1/4" thick so you have 2" + 1/4" + 1/4" measuring across the inside.

This is a type of vacuum hose connection is great for live hose reels used with truckmounted vacuum cleaning machines because these offer less vacuum inside hose turbulence than traditional barbed hose insert connections.

Some factory installed glued on hose cuffs will have to be cut off before you can install this.
