

Model Number: AM3450A

Air Foxx AM3450a Carpet Flood Restoration Air Mover

Manufacturer: Air Foxx

The AirFoxx AM-3450A multi-purpose air mover is designed to help you complete tough jobs. Carpet/floor air movers are very valuable when you need to move air or materials that are required in a wide variety of manufacturing processes and industries. The AM-3405A multi-purpose air mover features a 3 speed motor so it delivers air at the air flow of your choice.

Powerful Motor

The AirFoxx AM-3450A multi-purpose air mover features a 3/4 HP motor that provides up to 3450 CFM.

Durable Construction

The AM-3450 multi-purpose air mover features a high impact resistant body to ensure extended use.

Easy Setup

This carpet/floor air mover features 3-way capability (0°; 45°; 90°) so that setup for any job is effortless.

Versatile Application

This industrial air mover is great for clean-up, janitorial, office maintenance and restoration projects.

Benefits

- Affordable to purchase and operate compared to central air conditioning systems
- Cool and ventilate areas like commercial buildings, agricultural farms or industrial plants with ease
- Features a more powerful motor than other portable electric fans, making it ideal for larger areas that require more airflow
- Ideal for moving air and materials that are required in a wide variety of manufacturing processes and industries
- In addition to providing cooling, provides ventilation and circulation to stuffy work areas
- Perfect for situations where a smaller fan isn't sufficient

Specifications

Model: AM-3450A

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

- Product Type: Multi-Purpose Air Mover
- Product Dimensions: L: 20.00" x W: 17.00" x H: 19.00"
- Product Weight: 37.00 lbs.
- Product Color: Black
- Application: Ideal for commercial use, clean-ups, janitorial, office maintenance and restoration projects
- Type: Electric
- Warranty: 1 year
- Air Flow: 3450 CFM
- Voltage: 120 volts
- Oscillation: No
- Amps: 11 amps
- Frequency: 60 Hz
- Fan Style: Blower/Air Mover
- Product Construction: Plastic , Steel
- Adjustable Tilt: Yes
- Adjustable Height: No
- Number of Speeds: 3
- RPM: 1550
- Motor Type: 3/4HP
- Remote Control: No
- Control Type: Dial
- Timer: No
- Built-In Air Purification System: No
- Commercial/Industrial Use: Yes
