265-GMS-RDE G30-B01 Freight Included

Manufacturer: Steambrite MFG

GMS Distribution AC8481 Unit Power Box Kit with 4 most common heads

The GMS-Dist Unit Power Box allows you to use 240V dryer and range circuits for your 120V fans and dehumidifiers. The power unit plugs into an existing range or dryer 240V electrical receptacle and convert it into 4, 120V receptacles. Each receptacle is GFCI protected and rated as 20A. The power distribution unit and its adapters fit neatly inside a rugged case for easy transportation and storage.
