Winco PSS12H2W Emergency Electrical Standby Generator Air Cooled Freight Included

Manufacturer: Winco Generators

Winco PSS12H2W/E Emergency Electrical Standby Generator Air Cooled  
Free Shipping

Bigger isn't always better. The Winco PSS12H4W/E emergency standby generator is an industrial grade 12kW generator. The three chamber housing design keeps the generator cool while allowing for the smallest footprint in its class. The industrial Honda GX engine provides smooth and consistent power that is capable of running essential loads like sump pumps, well pumps, furnaces, refrigerators, TV's, lights and computers. Since this generator is sized to keep the basics running you will also be able to save money on fuel and maintenance.

#### Engine Features

- Commercial grade Honda GX690 engine
- V-Twin horizontal design provides smoother power over single cylinder engines
- Pressurized lubrication system with automotive style oil filters
- Field selectable between NG and LP

#### Generator Features

- 125/40o C temperature rise
- <5% total harmonic distortion is perfect for sensitive electronic loads
- +/-5% voltage regulation

#### Housing Design

- Galvaneal steel housing with DuPont powder coat paint resists corrosion
- Rodent proof
- Identically keyed lockable doors
- Quiet neighbor friendly operation
