Century 400 proudly re-introduces the Ninja series!

Faster drying times. The Ninja Warrior uses a parallel vacuum motor system which delivers a 25% greater solution recovery rate than series vacuum motor systems.

Maintenance is easier than ever providing an open access to all components delivering the ability to easily maintain, clean and care for your Ninja Warrior after jobs.

All controls and connections are located on the upper center panel for easy access and operation.

Integrated handle and rear casters assist with loading and unloading.

The onboard carrying system provides storage for your wand, double cord wrap stow, 5 gallon bucket, hose and quart of pre-spray.

Utilizing a rotomolded housing the Ninja Warrior is tough enough for all your travels and jobs.
