

Model Number: 1-10002

RHG 110002 Pro Rinse RO Pure Water Detailing System

Manufacturer: RHG Reach Higher Ground

RHG 1-10002 Pro Rinse Pure Water Detailing System 41378

Product Summary

The Pro-Rinse Pure Water Detailing System works with your pressure washer or garden hose to ensure a spot-free finish on your vehicle — no towel drying necessary. Simply rinse and you're done. This compact, easy-to-use system removes all minerals from ordinary tap water to create deionized water. Great for washing cars, trucks, RVs, boats, windows and more.
