Clean Storm Auto Fill Hose 100 ft By 3/8 Inch ID with 90 degree Fitting for Hot water Garden Hose

Manufacturer: Clean Storm

Hot Water Hose Garden can be used for auto fill or auto dump carpet cleaning machines and truckmounts

Style 3/8" ID x 90 degrees

200 psi use

800 psi burst and

Rated for Hot Water Use (200 degree F).

90 degree female end allows you to use in bathroom sink that would normally require a tight turn to get the water to flow out of the sink.

3/4" Standard male connection allows for use with most brands of auto fill machines that use standard garden hose connection (example: US Products)

Can also be used as the auto dump hose.

Default color is BLACK but color is not guaranteed.

Used to transfer hot water from the sink to your auto fill carpet cleaning machine, truck mount extractor or pressure washing pump.

Commonly used for tile cleaning systems where you need to hook your pressure washing pump to the sink's hot water supply.
