38.363

Manufacturer: HydroForce

Hydroforce SX15 replacement Swivel With Flange NX105

Hydroforce SX15 and CX15 replacement swivel spinner (water entry from the top)

Nickel Plated 4000 PSI / 4-10 GPM  
200F / 2000 RPM

Current or past OEM Association  
CRW NX105  
NX105  
38.363

New swivel will have a 1/4" Fip water connection.  
Original had a 1/8" Fip water connection.

Simply screw in brass bushing into the replacement swivel to make the water connection back to 1/8 pipe.

1/4in Mip X 1/8in Fip Brass Bushing Adaptor [110A-BA] 28102 BSHG3814

Optional / repairs

Also see 38.353 as water comes in the side instead of the top.  
Still might require the above brass bushing.  
Factories change designs all the time based on parts availability.  
Please select the correct part.

Mosmatic 38.353 90&deg; Swivel with flange Ceramic DXF-90&deg; 1/4 in.  
NPT F 3/8 in. NPT M
