Manufacturer: Maxx Ind

Water Pro Auto Detail and Carpet Cleaning Machine

Professional Auto Detailing Carpet

& Upholstery Cleaning Machine

Perfectly suited for auto detailing using extraction technology to spray water deep into carpet pile and immediately vacuum dirt and stains away.

The commercially robust Water Pro Vac is decked out with features that make it powerful enough to tackle all types of messes from light debris to deep stains. This compact vacuum cleaner on casters can be moved around the room with ease, making it a vacuum that can be used with minimal effort or strain to the user. It's also equipped with several handy features, so you can easily clean carpet, upholstery, stairs and even your vehicle.

Very powerful motor that guarantees very little moisture being left after cleaning.

Easy-grasp detergent spray pump that shoots detergent directly from the handle to the carpet or upholstery.

Two separate compartments for cleaning solution and dirty water.

Removable waste tank that makes it easy to empty the dirty water Includes steel floor wand and hand / upholstery tool, plus extension rod.

This vacuum is light weight and on casters for easy mobility.
