

Model Number: M173

Powr-Flite M173 300 RPM Floor Machines

Manufacturer: Powr-Flite

Save \$100 off the regular price. Huge Sale!

This model has been replaced by the M172-3 as of January 2003 which is a dual speed floor machine at the same great low price, 175rpm or 320rpm switchable! When you need total power, you need the new millennium design by Powr-Flite! This dual speed floor machine will take care of any job – bringing the shine “back to life” on almost any floor surface. These machines have all of the features that you expect in a Powr-Flite floor machine plus improvements and enhanced features that make them easier to use and last longer. These high speed machines are great for high volume scrubbing, cleaning and polishing. Put the torque on the floor not in your hands!
