We want to continuously provide the best products and services to you, our customer. As part of our ongoing commitment to offering the best tools and support possible, we have launched some enhancements to our Return Material Authorization (RMA) online tool for Protimeter products.

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

Adding to the fast response, improved visibility to returns and ease of doing business with GE, the following enhancements are available beginning on April 9th, 2012:

Repair option added in drop-down box (in addition to Replace option) for the following instruments:

Aquant
Psychone
Surveymaster

Hygrohawk
Hygromaster
MMS

Mini
Timbermaster

Hammer Electrode added with repair option.

The online RMA process has reduced our turnaround time from receipt of product to ship replacements in less than 48 hours. The following link will take you to our online RMA tool for the Protimeter products.

A onetime registration will be required to login and start the RMA process.
