#1 best selling all in one carpet cleaning machine and tile cleaning machine

The best thing about the Clean Storm Tile & Grout Extractor that makes it unique from other Tile & Grout Extractors is the fact that it is a much lighter machine and has more vacuum (5 stages instead of 4 stages) than most others. Adjustable 50-1200 PSI allows you to lower the pressure for carpets or upholstery and to crank it up for Tile & Grout. When faced with tough dirty jobs the Clean Storm is the right tool for the job!!!
