Tornado 98856 Cascade 20 Self Propelled Bundle 400psi 3 Stage Vacs

Manufacturer: CFR

Tornado 98856 Cascade 20 Self Propelled Bundle CFR 10416A

Description

Whether it is being used for interim or restorative cleaning, the Cascade (400 p.s.i) 25 gallon unit tops the industry in productivity. Cascade will clean a 4,200 square foot area in restorative (deep cleaning) mode in one hour. The competition? Two and a half hours or more. Cascade has one of the fastest dry times in the industry. Carpets are healthy and dry in half the time of a conventional extractor, which means your space is ready for immediate use.

Features

- CFR technology extends water usage by over 7 times that of traditional carpet cleaners
- Chemical usage is also greatly reduced which saves money and reduces the impact on the environment through less chemical and packaging waste
- Unique atomization technology delivers less moisture for drier, healthier carpets
- 25 gallon solution / recovery tank
- 400 p.s.i
- Clean 4,200 square feet per hour
- Provides enhanced ergonomics with an optional lightweight, wand system for those hard to reach places.
