Used by Landa Legacy Hotsy Shark and Karcher pressure washers

If Ordering from this webpage you are ordering the 8.925-184.0

## Description

For use with hot or cold-water pressure washers, this hose is rated for continuous temperatures of up to 250&deg; F. Built to exceed the EN1829-2 standard and will provide superior abrasion resistance that will increase the life of the hose. Double-wire braid hoses come with durable 8 inch bend restrictors on both ends. The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip retention, far superior to the "compression" fittings used on conventional hoses. Each high pressure hose from Legacy has a permanently embossed identification to make for easy tracing and owner protection.

3/8" MPT swivel x 3/8" MPT solid ends

6,000 PSI, 50 ft. long

Black hose color with black bend restrictor
