Model Number: XWL42.07N/ET-S

AR Pump XWL42.07N/ET-S Pump: 11/1000 Pump/Motor 7.5HP

Manufacturer: Karcher Pressure Washing

AR Pump XWL42.07N/ET-S Pump: 11/1000 Pump/Motor 7.5HP

#### Description

Introducing the Annovi Reverberi (AR) Plunger Pump XWL42.07N/ET-S, a robust and hard-wearing pump designed to deliver unparalleled performance and reliability. Incredible for a wide range of applications, this 7.5 horsepower pump makes tasks easier whether it be for commercial cleaning, industrial pressure washing, agricultural irrigation, or feed dispersal in aquaculture. Its special design also makes it a valuable utility for specialized coolant system operations in the manufacturing sector. This AR pump boasts inherent robustness and consistency, capable of delivering a great volume of fluid at high pressure. Built on a carefully crafted compact design, this pump is immensely durable, suitable for heavy-duty uses, and designed to withstand the rigors of prolonged operation. Experience the superior performance of AR pump at your commercial and industrial tasks and witness efficiency first-hand.

#### Specifications

- GPM (Gallons Per Minute): High
- PSI (Pounds per Square Inch): Maximum
- RPM (Revolutions Per Minute): High Efficiency
- Power Source: 7.5 Horsepower
- Applications: Commercial Cleaning, Pressure Washing, Agricultural Irrigation, Aquaculture Feed Dispersion, Industrial Coolant Systems
