

Model Number: 221524902

Chemspec 221524902, Microban Disinfectant Spray, Plus odorless, 55 Gallon Drum ProRestore

Manufacturer: Chemspec

Microban Disinfectant Spray Plus Fragrance Free (55 Gallon Drum not pictured above)

Ideal for treating air ducts or wherever a fragrance-free disinfectant is required.

Disinfectant Spray Plus Fragrance-Free is a powerful bacteriostat, fungistat, mildewstat and deodorizer. It's the one product that's right for multiple applications — water damage restoration, mold remediation and even for use in HVAC systems.

Disinfectant Spray Plus Fragrance Free is not available in California.

In Canada, ask for Microban Hospital Spray. See label for product claims and application instructions.

This fragrance-free formulation is ideal for use in HVAC ducting or wherever the use of the scented version is inappropriate. It's economical, too: one gallon treats up to 1,000 square feet of surface. Use of this product on water losses is recognized by major insurance companies.

Use Instructions

Disinfectant Spray Plus is ready to use and can be applied with an ultra low volume fogger (Blastmaster), a compression sprayer, foam generator or an airless paint sprayer.

Mixing: This product is ready to use. Do not dilute.

Application: Apply to porous surfaces at a rate of 1,500 square feet per gallon. Spray until moist, brush into carpeting, and allow 10–20 minutes to dry. See label for additional instructions.

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

For complete instructions and safety data for this product, refer to the User Guide and Material Safety Data Sheet, available under the Documentation tab.

All Virus supplies: All factories including Steambrite implemented an Allocation Policy back in March 2020 on select products in order to meet the high demand. We committed to significant inventory quantities in order to fill our supply chain pipeline, and shared items which are on allocation cannot be returned or cancelled.
