Cuff-Lynx® Ready

Cuff-Lynx® provide an easy connection for vacuum hoses.

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >

NOTE: Rotary power wands work best with auto fill and auto drain portable machines and truckmounts because they use twice as much water per minute and you do not want to waste time filling and emptying your machine. When used with a portable, it is best if used with one that offers more vacuum than the average machine. This would allow you to run longer hose runs without moving the machine very often.
