Shazaam: Hose Bag Black Extra Large 30in X 40in

Designed to work with your shop vac, portable carpet cleaning machine, truckmount and air compressor (electric or gasoline)
Like all air duct cleaning tools: they will work with as low as 6 cfm but we recommend 12 cfm compressor.
If you use with a 6 cfm compressor, you might have to wait for the air compressor to catch up with you during use.
When you use with a 12 cfm air compressor (or dual 6 cfm units 'Y'ed together), you do not have to wait on the compressor to catch up as 12 cfm offers non stop duct cleaning.
