Shazaam: Hose Bag Black Extra Large 30in X 40in

Store your Vacu-Whip hose and accessories in one bag.

Designed to work with your shop vac, portable carpet cleaning machine, truckmount and air compressor (electric or gasoline)

Like all air duct cleaning tools: they will work with as low as 6 cfm but we recommend 12 cfm compressor.

If you use with a 6 cfm compressor, you might have to wait for the air compressor to catch up with you during use.

When you use with a 12 cfm air compressor (or dual 6 cfm units 'Y'ed together), you do not have to wait on the compressor to catch up as 12 cfm offers non stop duct cleaning.

Standard length is 33 ft
Optional 50 ft and 100 ft available.
