

Model Number: PP35-900184

Prochem and Blue Baron Nason 285 Degree Sensor Kill Switch PP35-900184 8.619-253.0 114821

Manufacturer: Prochem

Prochem and Blue Baron Nason 285 Degree Sensor Kill Switch PP35-900184

Used to ground out coil and kill engine once the water reaches 285 degrees.  
Hook to the low oil engine shut down.  
Tricks engine to think it ran out of oil  
This temperature sensor shuts off when the solution temperature reaches 285 degrees. For use on all truck mounts from Prochem to BLUEline with catalytic heat exchange systems.  
Can be used to hook to exhaust diverters and pump clutches too.
