CTi Pros Choice C1100 Natural Fiber Cleaner 365 lbs Drum 3140

Natural Fiber Cleaner is a powder that is designed to safely and thoroughly clean those difficult to clean natural textiles, such as Haitian and Natural Cottons, that are prone to yellowing and browning. You will find this product to be helpful in restoring fabrics that have been discolored due to improper cleaning procedures. Restores clean white color to dingy upholstery.

Description:

Natural Fiber Cleaner is designed to safely and thoroughly clean those difficult to clean natural textiles, such as Haitian or Natural Cottons, that are prone to yellowing and browning. You will find this product to be helpful in restoring fabrics that have been discolored due to improper cleaning procedures.

Directions:

Truck Mount: Normal cleaning dilute $1\frac{1}{2}$ lbs (3 cups) Natural Fiber Cleaner powder into 5 gallon concentrate solution and run flow meter 3 to 4 GPH. For corrective cleaning double the concentration or increase flow meter to 5 to 6 GPH.

Portable: Add $\frac{1}{2}$ cup Natural Fiber Cleaner per 5 gallons of water. For corrective cleaning of stain damaged textiles, double the concentration.

Equipment: Carpet Cleaning Machines > Vacuum Cleaners > HEPA Concrete Dust Slurry Hazmat Vacuums >
