Manufacturer: Clean Storm

Predator 22hp 670cc V-twin 4-stroke Gasoline Engine 20160305 Not for Sale in California

Description

This Predator 670cc V-twin 4-stroke gasoline engine delivers more power in less space than similar displacement standard twins. The horizontal shaft is ball-bearing mounted, making this gas engine an ideal replacement for most standard engine configurations. The powerful v-twin gas engine features a durable cast iron cylinder making it the perfect replacement engine for: Mowers, water pumps, high pressure washers and dozens of other machines.

Features

- Compact v-twin design for more power in a smaller footprint
- Durable cast iron cylinder withstands wear and abuse
- Electric start
- Fuel shut off for safe transport
- For use on: Mowers, water pumps, high pressure washers, carpet cleaning truck mounts
- 12 volt battery not included

Note: Unit only has a 2 amp charging system so it is best used for systems that can have either two batteries or hooked to a vehicle's battery that can remain charged. Batteries are not included.
