Manufacturer: American Training Videos

American Training Videos Custodial Series 1204A Basic Carpet Cleaning Methods Part 1  
[AMT-1204A]

Reviews the procedures for professionally cleaning carpet. There are three rules to remember before starting: 1. Protect yourself from danger; 2. Don't create problems for yourself, and 3. Clean carpet in a planned pattern. This DVD features hot water extraction and "spin pad" bonnet cleaning methods.
