American Training Videos Hospital Series 1061 Cleaning the Discharge/Terminal Unit

Manufacturer: American Training Videos

American Training Videos Hospital Series 1061
Cleaning the Discharge/Terminal Unit
[AMT-1061]

Covers all facets of proper procedural cleaning.

This presentation depicts disinfecting a patient's room after his or her release.

It shows proper steps that need to be implemented before, during and after cleaning.

From high dusting to dust or wet mopping the floor, this presentation teaches all that's needed to revitalize a hospital room.
