Harvard Chemical 180004, Bone Dry Encapsulation CRB Cleaner, 4 x 1 Gallon Case, 400, 1800

UPC: 711978410837

Manufacturer: Harvard Chemical Research

Harvard Chemical 180004 Bone Dry Encapsulation CRB Cleaner 4 x 1 Gallon Case  
Description

Bone Dry is a highly effective low moisture cleaner for carpets and rugs including 5th generation nylon. This product is highly effective in hot or cold water and contains emulsifiers that break down dirt, grease, oil, food residue and "wicked back" stains. Bone Dry contains special polymers that engulf and encapsulate dirt, detergent residue and other soils then dries to a brittle non sticky crystal. The crystal and entrapped soils are easily removed by routine vacuuming.

## Features

- Dries to a crystalline solid
- Quickly breaks down stubborn dirt, grease, and oil
- Low Moisture, carpets are back in service quickly
- Prevents fiber re-soiling from sticky residues
- Prevents "wick back" of spots
- Safe on 5th generation carpets

## Specifications

Appearance: Clear Liquid

Odor: Slight ammonia

Specific gravity: 1.01

PH 10% Solution: 8.8 – 9.3

Flammable: No

Detergency: Excellent

### Directions

For cleaning dilute 8 ounces of Bone Dry per gallon of water. Cleaning solution may be applied with a pump up sprayer or traditional shampoo shower feed. Agitate the carpet using a low speed floor machine with shampoo brush or a white rubberized floor buffing pad or any other comparable rotating brush (Pay attention to carpet manufacturers general cleaning guidelines to retain carpet quality and any warranty in effect). Carpet will normally dry within 30 minutes. Wait at least overnight before vacuuming allowing adequate time for the polymers to fully cure and harden. Bone Dry may also be used as a spotter when diluted 1:5 with water.

## Dilution

[illegible]

Spotting&hellip;&hellip;&hellip;&hellip;&hellip;&hellip;&hellip;&hellip;&hellip;.&hellip;&hellip;.1:5 (25.6 ounces/gallon)

## Safety

Keep out of the reach of children!
