

Model Number: CPF6P

Powr-Flite Comfort Pro Freedom 6 QT Backpack Cordless Vacuum CPF6P

Manufacturer: Powr-Flite

Featuring the lightweight design and unparalleled performance of our corded units, the new Comfort Pro Freedom redefines cleaning productivity and comfort.

Features:

- Lighter, quieter and less expensive than the leading competitor
- Powered by Samsung® lithium battery technology
- Ergonomic shoulder harness from Deuter®
- Superior 62 dBA rating
- Tools fit conveniently on waist belt
- Each machine is assembled and tested by skilled American workers

- Exclusive Deuter Aircomfort Harness features 7 adjustment points for custom fit, including Variquick torso height adjustment
- State-of-the-art load stabilizers transfer weight from your back and shoulders to your core, decreasing user fatigue
- Aircomfort mesh harness, proven by outside testing to decrease sweat by 25% compared to conventional backpack systems
- Tool kit includes telescoping wand that eliminates bending and stretching during specialty applications

- Up to 55 minutes of continuous cleaning and over 900 charge cycles
- Included charger supports opportunity charging and provides a full charge in 2.5 hours

- Color-coded battery status display
- Included battery can be easily switched out without taking the backpack off
- American engineered and assembled
- 5-stage filtration including HEPA bag increases indoor air quality
- Ultra quiet operation meets LEED requirements
- Certified clean by the Carpet and Rug Institute - the Comfort Pro Freedom is rated Silver

- Nearly 4x faster than a standard upright - 30% faster than a corded backpack vacuum

- No more searching for wall outlets and wasting time doubling back to unplug your vacuum

- Tools and premium telescoping wand "click" right onto the belt, leaving your hands free to perform other work
