

Model Number: PDS1

Powr-Flite PDS1 Powr-Dryer 1/2 HP Freight Included

Manufacturer: Powr-Flite

The PDS1 is the new and improved version of Powr-Flite's popular PD500 squirrel-cage dryer. This full-featured commercial dryer boasts an impressive 3,800 feet per minute in air velocity. Even with all that power, the PDS1 still weighs in at only 22 lbs. and is compact enough to fit in closets and the back of vehicles with ease. Additionally, it has a low amp draw of only 4.4 amps, giving you the most airflow for a small amount of amps. Stop trading performance for price and get Powr-Flite's updated Powr-Dryer!

Features:

- Smaller and lighter &ndash; only 22 lbs.
- Full power &ndash; 1/2 hp motor and 3,800 feet per minute
- Lower amp draw &ndash; only 4.4 amps
- Stackable design provides easy transportation and storage
- American engineered and assembled
