Mytee VAS525 Vanquish Air Scrubber/Negative Air Machine BLUE (Limited stock only 2 left)

Manufacturer: Mytee Products Inc

Mytee VAS525 Vanquish Air Scrubber/Negative Air Machine BLUE 1Yr Warranty

Tough on Particles.

The power of HEPA. The efficient, lightweight VAS525 Vanquish® Air Scrubber is ideal for heavy duty restoration or any jobsite where indoor air quality is important. It features a pre-installed Mytee® HEPA filter removes at least 99.99% of airborne particles 0.3 micrometres and larger in diameter and the 16" air intake provides a large particle collection area. The Mytee® HEPA filter has a MERV 18 rating.

The Vanquish® Air Scrubber is stackable for maximum coverage, and can also be used as a Negative Air Machine in order to set up negative or positive pressure isolation rooms.

It also features an auxiliary power outlet as well as a 12 amp breaker so you can daisy-chain multiple Air Scrubbers together. Use an optional charcoal filter to remove odors from fire, smoke, fuel, food, and more.

Mytee's VAS525 Vanquish® Air Scrubber is available in blue, red, or green.

The Vanquish® features:

- 16" air intake for maximum airflow efficiency and particle collection

- Stackable design

- Indicator light illuminates when it's time to change the HEPA filter

- Auxiliary 12 amp AC receptacle for daisy-chaining additional units

- Variable speed control- 500 CFM

- Intake cap also functions as a cord wrap

- 25' lighted power cord

- Easy filter changing — no tools required!

Use the Vanquish® for:

- Flood restoration

- Fire and smoke damage restoration

- Mold remediation

- Odor elimination

How It Works:

FREE Factory Installed

Mytee H368 Vanquish 1 in Merv 8 Prefilter

Pre-Filter (Part #H368): Used to capture and contain large particles such as

dust mites, lint, pollen, and dust, to extend the life of the HEPA filter. Pre-filter has a MERV 8 rating.

Optional Carbon Filter (Part #H368A): The optional carbon filter is for use in odor control, to remove odors caused by pets, smoke, fuel, cooking and food, mildew, and cleaning chemicals. Not included with unit, must be purchased separately.

FREE Factory Installed

Mytee H352 Hepa Filter Replacement for Vanquish Air Scrubber

Mytee® HEPA Filter (Part #H352): This final stage air filter removes at least 99.99% of particles that have a size of 0.3 micrometres or larger. Effectively filters nearly all allergens, mold spores, and small particle pollutants. Mytee® HEPA filter has a MERV 18 rating.
